DETAILED ACTION

1. The amendment filed on 27 December 2005 has been noted and made of record.
2. Claims 1-13 have been presented for examination.

Information Disclosure Statement

3. The information disclosure statement (IDS) submitted on 23 February 2006 is in compliance with the provisions of 37 CFR 1.97, and is being considered by the examiner.
4. The information disclosure statement filed 23 February 2006 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. It has been placed in the application file, but the information referred to therein has not been considered.

Response to Arguments

5. Applicant's arguments, see pages 21-23, filed 27 December 2005, with respect to claims 1-13 have been fully considered and are persuasive. The rejection of claims 1-13 has been withdrawn.

Allowable Subject Matter

6. Claims 1-13 are allowed.
7. The following is an examiner's statement of reasons for allowance:

As noted above, the Examiner agrees with the Applicant that the cited reference do not disclose a content divided into a plurality of object files, and that the plurality of object files are recorded and moved together with usage rule information of the content. After conducting an

updated search and considering the prior art of record, the Examiner has not been able to find any teaching or motivation to divide a content into a plurality of object files and have the object files moved together with the usage rule information, therefore it the invention is novel and non-obvious.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

9. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christian La Forgia whose telephone number is (571) 272-3792. The examiner can normally be reached on Monday thru Thursday 7-5.

10. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ayaz Sheikh can be reached on (571) 272-3795. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

11. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
